

“Three simple words...**Quality of Life!**

*I am a sales professional and noticed that I was not able to hear comments made by my clients. I was constantly asking them to repeat themselves which was embarrassing. When I finally decided to get fit with the right hearing aids, it was amazing how much better my hearing became. Dr. Long is great to work with and very knowledgeable.*”

— B.P. - Appleton, WI

Compact size, elegant colors and Speaker-in-the-Ear design make **Oticon Opn™** highly inconspicuous when worn.

# Hearing is...

*“music to my ears”*

*“Since I got my Opns, there’s a curtain that has been lifted from life.”*

— Robert P., Music Lover, Cinematographer & Opn Wearer

## Experience the life-changing benefits of **Oticon Opn** hearing devices

Finally there's a hearing device that lets you hear what you want to hear, even in the most complex listening environment. Oticon Opn features a revolutionary microchip that adjusts and balances all the sounds around you, not just the ones directly in front of you. It separates speech from noise and lets you focus on what's important.

**With Oticon Opn, you can open up to a fuller, more natural hearing experience.**

## You're invited to try **Oticon Opn** risk-free

**The first hearing device proven to make it easier on the brain. Come and bring a loved one to receive:**
